

TouringMag Checklist

- ☐ 1. Soft or hard panniers
- ☐ 2. Dry bags or waterproof liners
- ☐ 3. Compression sacks
- ☐ 4. Bungee cords and straps
- ☐ 5. Plan your trip duration and weather conditions to determine clothing and gear requirements.
- ☐ 6. Use compression sacks to minimize the volume of soft items like clothing and sleeping bags.
- ☐ 7. Pack heaviest items at the bottom and evenly distribute weight across the panniers.
- ☐ 8. Use dry bags or waterproof liners to protect sensitive items from rain or moisture.
- ☐ 9. Secure all bags with bungee cords and straps to prevent them from shifting while riding.
- ☐ 10. Keep essential items such as maps, snacks, and a first-aid kit easily accessible.
- ☐ 11. Conduct a packing test run to ensure your setup is balanced and comfortable.
- ☐ 12. Consider the use of modular packing cubes for better organization.
