

TouringMag Checklist

- ☐ 1. Motorcycle luggage (saddlebags, top case)
- ☐ 2. Waterproof bags
- ☐ 3. Bungee cords or straps
- ☐ 4. Compression sacks
- ☐ 5. Essential clothing
- ☐ 6. Personal hygiene items
- ☐ 7. First aid kit
- ☐ 8. Tire repair kit
- ☐ 9. Portable toolkit
- ☐ 10. Maps or GPS device
- ☐ 11. Assess your luggage capacity and layout your gear according to weight and volume.
- ☐ 12. Use compression sacks for clothing to maximize space in your bags.
- ☐ 13. Place heavier items like tools at the bottom of your saddlebags for stability.
- ☐ 14. Secure waterproof bags for electronics and other sensitive gear.
- ☐ 15. Balance your load equally between the saddlebags to maintain bike stability on the road.
- ☐ 16. Attach extra items such as the tent or sleeping bag with bungee cords or straps to the top case.
- ☐ 17. Double-check that all items are secure before setting off.
- ☐ 18. Pack your gear in the order of use for easy access during stops.
- ☐ 19. Avoid overpacking; only bring necessities to keep the bike manageable.
