

TouringMag Checklist

- ☐ 1. Motorcycle luggage bags
- ☐ 2. Compression sacks
- ☐ 3. Waterproof covers
- ☐ 4. Packing cubes
- ☐ 5. Bungee cords or straps
- ☐ 6. Begin by sorting your items into categories such as clothing, tools, and personal items.
- ☐ 7. Use packing cubes to group similar items together, maximizing space in your luggage.
- ☐ 8. Place heavier items at the bottom of your luggage to maintain a low center of gravity.
- ☐ 9. Utilize compression sacks for bulky clothing to save space.
- ☐ 10. Ensure all items are securely packed to prevent shifting during your ride.
- ☐ 11. Use bungee cords or straps to attach additional gear to your motorcycle securely.
- ☐ 12. Cover your luggage with waterproof covers to protect against rain.
- ☐ 13. Regularly check the weight distribution of your packed items to maintain balance and handling.
- ☐ 14. Keep essential items like documents and water easily accessible for quick stops.
